PROFESSIONAL SUMMARY

B.Tech Information Technology student with a 7.7 CGPA and foundational knowledge of HTML and CSS. Familiar with Firebase and AWS, with hands-on experience in developing websites and applications using AI-assisted tools. Interested in web development and eager to apply technical knowledge to practical projects while continuously improving development skills.

TECHNICAL SKILLS

Web Development : HTML, CSS (Fundamentals).
Cloud: AWS EC2, Application Load Balancer, Auto Scaling.
Backend & Database Services: Firebase, MongoDB, SQL.
Development Tools: AI-Assisted Development Tools (AntiGravity, Cursor , Claude).

PROJECTS

CaptionAI – AI-Driven Lyrics-to-Captions Tool

- *Tech Stack: HTML, CSS, JavaScript,Python AI-Assisted Development Tools.*
- Explored an AI-driven approach to simplify caption creation for song lyrics and video content.
- Designed the concept for entering lyrics and formatting text into readable captions.
- Planned caption customization features to improve text readability and presentation in videos.
- Used AI-assisted development tools to support application design, feature planning, and development.

SecurityX – AI-Assisted Android Anti-Theft & Device Recovery Application

- *Tech Stack: Kotlin, Android Studio, GPS, SMS APIs, Database*
- Developed SecurityX, an AI-assisted Android anti-theft application using Kotlin and Jetpack Compose.
- Implemented SMS-based commands to trigger device recovery actions with secret-code authentication.
- Integrated GPS location retrieval, alarm activation, and battery status reporting to assist in finding a lost device.
- Added SIM-state monitoring, security event logging, and brute-force protection for enhanced device security.

INTERNSHIP EXPERIENCE

Cisco Virtual AI Internship | *Remote* (2 Months)

- Explored fundamental AI concepts, machine learning basics, and real-world applications of artificial intelligence.
- Gained exposure to AI-driven problem-solving, intelligent systems, and the role of AI in developing practical technology solutions.

Android Application Devlopment | *Offline Internship* (2 Months)

- Learned the basics of Android application development and mobile app design.
- Gained basic knowledge of Android Studio and the process of creating simple Android applications.

CERTIFICATIONS & ACHIEVEMENTS

- Cisco AI Virtual Internship – Certificate
- Anthropic AI Fluency for Students – Certificate of Completion

EDUCATION

MIT Academy of Engineering, Alandi, Pune 2024 – 2028
Bachelor of Technology (B.Tech) – Information Technology *CGPA: 7.7*

AISSMS Pune 2022 – 2025
Diploma in Information Technology *Percentage : 75%*

HEMS , Dighi Pune 2022
State Board Of Maharashtra SSC (Class X) *Percentage : 80.20%*
